Tasks & Sub Tasks for Registered Users

Epic 1: Account & Profile Management

Story: Manage Account and Profile (US-RU-01)

Subtasks:

- Design registration form UI
- Implement user registration backend
- Validate input fields
- Design login page UI
- Implement authentication system
- Create profile page
- Implement edit profile feature
- Add profile picture upload
- Implement password reset system
- Send reset email

Tasks:

- Write account system documentation
- Create user guide for account usage
- Perform authentication testing

LH3D-1 Account & Profile Management	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Mar 26, 2026, 9:41 AM	Mar 26, 2026, 12:37 PM	Mar 27, 2026
LH3D-50 Send reset email	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:56 AM	Apr 09, 2026, 8:56 AM	None
LH3D-49 Implement password reset system	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:54 AM	Apr 09, 2026, 8:54 AM	None
LH3D-48 Add profile picture upload	Unassigned	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:53 AM	Apr 09, 2026, 8:53 AM	None
LH3D-47 Implement edit profile feature	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:52 AM	Apr 09, 2026, 8:52 AM	None
LH3D-46 Create profile page	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:50 AM	Apr 09, 2026, 8:50 AM	None
LH3D-45 Implement authentication system	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:50 AM	Apr 09, 2026, 8:50 AM	None
LH3D-44 Design login page UI	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:49 AM	Apr 09, 2026, 8:49 AM	None
LH3D-43 Validate input fields	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:49 AM	Apr 09, 2026, 8:49 AM	None
LH3D-42 Implement user registration backend	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:48 AM	Apr 09, 2026, 8:48 AM	None
LH3D-41 Design registration form UI	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 09, 2026, 8:47 AM	Apr 09, 2026, 8:47 AM	None
LH3D-40 Perform authentication testing	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 08, 2026, 9:15 PM	Apr 08, 2026, 9:15 PM	None
LH3D-39 Create user guide for account usage	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 08, 2026, 9:14 PM	Apr 08, 2026, 9:14 PM	None
LH3D-36 Write account system documentation	Rabia Khalid	Rabia Khalid	Medium	TO DO	Unresolved	Apr 08, 2026, 6:51 PM	Apr 08, 2026, 6:51 PM	None

Story: Follow System (US-RU-02)

Subtasks:

- Design follow/unfollow button
- Implement follow API
- Implement unfollow feature
- Update follower/following count
- Fetch followers list
- Display personalized feed

Tasks:

- Document follow system
- Test follow/unfollow functionality

Epic 2: Content Creation & Management

Story: Upload and Manage Panoramic Content (US-RU-03)

Subtasks:

- Design upload interface
- Implement file upload functionality
- Validate file format/size
- Store media in database/cloud
- Create edit content feature
- Implement delete functionality

Tasks:

- Write content upload documentation
- Create user guide
- Perform upload testing

Story: Organize Content (US-RU-04)

Subtasks:

- Design gallery UI
- Implement gallery creation
- Add category/tag feature
- Assign categories to content
- Add location tagging

Tasks:

- Document organization feature
- Test gallery system

Epic 3: Panorama Viewing & Interaction

Story: View and Explore Panoramas (US-RU-05)

Subtasks:

- Integrate 360° viewer
- Load panoramic content
- Implement zoom feature
- Implement rotate functionality
- Add full-screen mode
- Optimize performance

Tasks:

- Document viewer functionality
- Perform UI/UX testing

Epic 4: Virtual Tours & Interactive Features

Story: Create Virtual Tours (US-RU-06)

Subtasks:

- Design tour creation UI

- Implement linking of panoramas
- Add description input
- Store tour data
- Enable navigation between scenes

Tasks:

- Write virtual tour documentation
- Test navigation flow

Story: Interactive Hotspots (US-RU-07)

Subtasks:

- Design hotspot placement UI
- Implement hotspot creation
- Save hotspot coordinates
- Attach media (text/audio/video)
- Display hotspot interaction

Tasks:

- Document hotspot feature
- Perform interaction testing

Epic 5: Social Interaction & Engagement

Story: Like & Comment System (US-RU-08)

Subtasks:

- Design like button
- Implement like functionality
- Design comment section
- Add comment feature
- Delete/edit comment

Tasks:

- Document engagement system
- Test likes/comments

Story: Share Content (US-RU-09)

Subtasks:

- Add share button
- Implement share link generation
- Integrate social media sharing

Tasks:

- Document sharing feature
- Test sharing functionality

Epic 6: Search & Discovery

Story: Search & Explore Content (US-RU-10)

Subtasks:

- Design search bar
- Implement search functionality
- Filter by categories
- Filter by location
- Display search results

Tasks:

- Document search system
- Test search accuracy

Epic 7: Notifications, Analytics & Settings

Story: Notifications and Updates (US-RU-11)

Subtasks:

- Design notification UI
- Implement notification system
- Store notifications in database
- Enable real-time updates
- Add notification settings

Tasks:

- Document notification system
- Test notification delivery

Story: Analytics and Insights (US-RU-12)

Subtasks:

- Track views and likes
- Store analytics data
- Design analytics dashboard
- Display user statistics
- Optimize data queries

Tasks:

- Document analytics system
- Test data accuracy

Story: Privacy and Settings (US-RU-13)

Subtasks:

- Design settings UI
- Implement privacy controls
- Add block/unblock feature
- Manage account settings
- Save user preferences

Tasks:

- Document privacy settings
- Test user settings

Tasks & Sub Tasks for Admin Users

Epic 1: User Management

Story: Manage Users (US-AD-01)

Subtasks:

- View user list
- Search/filter users
- Approve user accounts
- Block/unblock users
- Delete user accounts

Tasks:

- Document user management
- Test admin controls

Epic 2: Content Moderation

Subtasks:

- View uploaded content
- Flag inappropriate content
- Approve content
- Remove content

Tasks:

- Document moderation process
- Test content filtering

Epic 3: Platform Monitoring & Control

Subtasks:

- Track user activity logs
- Detect unusual behavior
- Display monitoring dashboard

Tasks:

- Document monitoring system
- Test activity tracking

Epic 4: Reports & Analytics

Subtasks:

- Generate reports
- Filter report data
- Export reports (PDF/CSV)

Tasks:

- Document reporting system
- Test report generation

Epic 5: System Configuration & Security

Subtasks:

- Manage categories
- Update system policies
- Configure settings
- Implement security controls

Tasks:

- Document system configuration
- Test system settings
